NICE TO MEET YOU

I'M KATE HORTON

Leadership has always found me! From being the captain of the Renwick School U7's Netball team, an Associate Principal, and now the owner of 2 businesses, I've learned a thing or two about what it takes to be the type of leader you want to be.

As a leadership coach and mentor, I help middle & senior leaders to create teams, habits and work lives that they LOVE!

I'M ALEISE WHITE

I began my career as a lawyer, then saw the light and became a teacher. I went from being an Across School Teacher and Senior Leader, to a full time Educational Consultant and have picked up some incredible skills along the way.

I'm extremely passionate about the role that health plays in our success as educators and leaders. I help my clients to achieve the balance that we're all looking for, and bring strength, health and happiness to their personal and professional lives.

WHAT IS THE

Ed Leaders' LAB

**You wouldn't go to the gym for 6 hours
and expect to be healthy for the rest of your life!**

So surely you wouldn't go to a one-off leadership course and expect to be awesome at your job for the rest of your career either!

Beginning teachers get a mentor, beginning principals get one too - but what about all of the team leaders, mentor teachers, DP's, AP's, HODs, ASTs, Learning Support Coordinators

Ongoing support for educational leaders has been overlooked for far too long- we're changing that in 2025!

The Ed Leaders' Lab is different from any professional development you've done before:

- It's not a one-off event, it's **a year-long journey**.
- We don't just focus on your professional growth, we understand that your **personal growth** is just as important.
- We support you to create a work-life balance where **you can be an amazing leader** without sacrificing your health and wellbeing.
- Kate & Aleise are OBSESSED with this mahi! You've got access to us in your back pocket the whole time.

Here's how it works:

You bring the vision of what you want your work **and** life to look like as an aspiring, establishing or experienced educational leader in 2025.

Kate Horton & Aleise White provide the **community, resources, expertise** and **accountability** to support your ongoing personal and professional growth.

We were primary school teachers for years, so **we've built what we wish we'd had** when we were navigating the role of teaching, leading AND wanting an amazing life amongst all of it.

WHAT'S INCLUDED?

COMMUNITY

Here's your village.

When you join the Ed Leaders' Lab, you become part of a national community of educators who are committed to **consistent, purposeful action towards their leadership & personal goals.**

Your fellow colleagues care about the person you're becoming, the challenges you're facing, and want to support you in bringing your visions into reality.

Kate & Aleise are intent on making this the most uplifting and supportive Facebook Group for educators in New Zealand.

RESOURCES

A tool for any situation!

Whether you're looking for conversation templates, meeting frameworks, seminal research, feedback scaffolds, wellbeing tools, coaching, additional training, co-working sessions ...

we have it all!

**eBooks
tools & templates
podcasts
holiday book club
and heaps more...**

Our members-only resource bank grows each month and you get access to it all; whenever you need it!

SUPPORT

Coaching & Mentoring.

Advice and information are free, and freely available. **Support and accountability** are the things worth investing in.

You'll have access to **regular weekly events** to keep you on track all year long.

And, you're in great hands! Kate and Aleise not only have a solid background in education, but are both formally qualified (and very experienced) leadership coaches and consultants.

We'll also have exclusive member offers for 1:1 leadership or health coaching programs when you want something extra.
